

2nd Team Captain's Responsibilities

- On field captaincy in league games
- Responsible for ensuring their team plays at all times within 'the spirit of the game' and the laws of the game.
- Liaise with opposition Captains where fixtures are in doubt due to weather, selection or other issues that may cause the cancellation of a fixture
- Work with the Play Cricket administrator to ensure all squad playing members are registered with the league by required date.
- Work with the Membership Administrator to ensure all squad playing members being considered for selection have paid their subs.
- Arrange collection of match fee and ensure money is handed to appropriate club officer.
- Ensuring results are provided to press before 8.30pm on day of match using the appropriate channels (phone, e-mail, Social Media)
- When playing a home fixture, ensure Playcricket match data is completed in the appropriate time frame (reference SEWCL League guide for details)
- Writing of match day reports and completing captain's report on play cricket
- Attendance at Cricket Management Committee/Senior Leadership Team meetings when required (physical or virtual)
- Attendance at weekly selection meetings in playing season
- Help to ensure that from the pool of players eligible to play for the club, teams are selected using the selection criteria as set out by the club and that all within your power is done to ensure competitive fixtures are played with 11 players as required
- Encouraging players to attend club training night
- Must complete DBS vetting paperwork as directed my club welfare office which must be refreshed every 3 years.
